

Board Resignation

Member 1

Fellow Neighbors,

On November 18th, 2023, our Northpointe Crossing HOA Member, Will Lebo, resigned from his position. Will has taken a promotion in his career that requires an increased level of commitment. We have greatly appreciated Will's help with all the work we have performed during his time on the board. He was a valued asset in several projects over his 4 ½ years serving his community, including the creation of the ACC guidelines and the resolution of several maintenance issues across our 180-acre community. Please, join us in wishing the best for him and his family in their future endeavors.

The Northpointe Crossing Board of Directors has an application for our vacant board position. Please find the "Board Candidate Form" on either Town Square or at www.NPCHOA.com.

We also have electronic form submissions available on the neighborhood website.
